Automatic Soap Dispenser

- Automatic infrared sensor,more convenient and hygienic
- 3 Gears liquid adjustable
- Type C charging port，3 months on a single charge
- Suitable for all kinds of soaps and sanitizing gels

Liquid

Case Material	ABS	Induction Distance	3–7cm
Power	DC3.7V（Lithium battery using Type–C charging interface)	Liquid Supply	3 gears liquid adjustable
Low Battery Hint	LED Twinkling	Net Weight	0.42kg
Tank Volume	500ml	Product Size	157x82.5x227mm
Sensing Type	Touch–free infrared	Waterproof	IPX4
Ambient humidity	⩽80℃	Ambient temperature	0–45℃
